

ALTAIR

Dear Friends,

You are invited to attend the first annual WORLD ALTAIR COMPUTER CONVENTION. This exciting event will be held at the new MITS factory on Saturday and Sunday, March 27-28, in Albuquerque, New Mexico.

Hobby clubs and individual Altair owners have been asked to bring their Altairs to Albuquerque to set up demonstrations. Thousands of dollars worth of Altair equipment will be awarded to the users with the most innovative demonstrations.

Seminars will be conducted by MITS engineers, MITS software writers, and by some of the leading figures in the home computer field.

Since the new MITS factory is located close to the Albuquerque Airport, it will be very convenient for out-of-town guests to attend the convention. The entire Albuquerque Airport Marina Hotel has been reserved for this occasion. This hotel is across the street from the terminal building and just a short walk away from MITS.

Attendance to the convention will be free (not counting travel and hotel costs) and MITS will provide door prizes and at least one free luncheon.

Call or write for hotel and convention reservations. Or for more information:
