

# **Tandy Corp. Plans to Open 50 Computer Centers**

**FORT WORTH, Texas—Tandy Corp. said it plans to open 50 computer sales and service stores in 1978 and 1979, and said that while some will be located within its Radio Shack stores, most will be separate entities.**

**The maker and marketer of consumer electronics products said the stores will be called Radio Shack Computer Centers and their principal purpose will be to develop quantity sales of Radio Shack TRS-80 micro-computer systems and peripheral equipment to businesses and institutions.**

**Tandy said capital expenditures for the 50 centers are expected to total about \$4 million.**
