Concurrent CP/M™

Introducing software for the IBM® PC with a $350 bonus!

Now's the time to invest in the business software you've wanted for your IBM PC.

Because for a limited time, if you buy any two of the famous business programs in the CP/M Applications Library,™ we'll give you the highly-acclaimed Concurrent CP/M™ operating system for your IBM PC—absolutely free. That's a bonus worth $350.*

Introducing SpeedStart™—the exclusive load-&-go software system.

The CP/M Applications Library offers more than just the best name-brand IBM PC software in the business. Each of our applications delivers the unmatched convenience of our exclusive SpeedStart single disk system.

SpeedStart is a special version of the powerful CP/M-86® operating system that's built into each of our software disks.

When you're ready to work, just load the disk, turn on your IBM PC and go!

SpeedStart eliminates the time-consuming task of loading a separate operating disk and then "installing" the software.

In fact, the SpeedStart system gets you to work faster and easier than any other software available today.

Best of all, it's yours at no extra cost.

What's more, SpeedStart can be by-passed to run software under the IBM PC operating system of the future—the remarkable, multi-tasking Concurrent CP/M.

The operating system of the future can be yours—free!

There's a good reason why Concurrent CP/M is receiving rave reviews by industry experts. It enables your IBM PC to run up to four separate jobs at the same time.

You can load all of your applications at once, and instantly switch from one program to the next with the touch of a key!

For example, by using WordStar® and SuperCalc®2 simultaneously, you can print documents while working on your budget. You can even exchange data from one application to another. The time-saving possibilities are endless.

Best of all, this $350 operating system is yours for the asking when you buy any two IBM PC business software packages from the CP/M Applications Library at your computer store.

But hurry, this special offer ends January 1, 1984! For the name of the nearest participating dealer call toll free:
