**"WordPro is the most sophisticated Word Processing Software package available for the Commodore Computer line."**

## **Solve Your Paperwork Problem . . . Let WordPro Software Do The Work**

Using standard typing methods, hundreds of valuable hours are spent erasing, revising, and retyping letters and documents as you work towards a final draft copy. The second, third, or fourth drafts take just as long to type as the first!

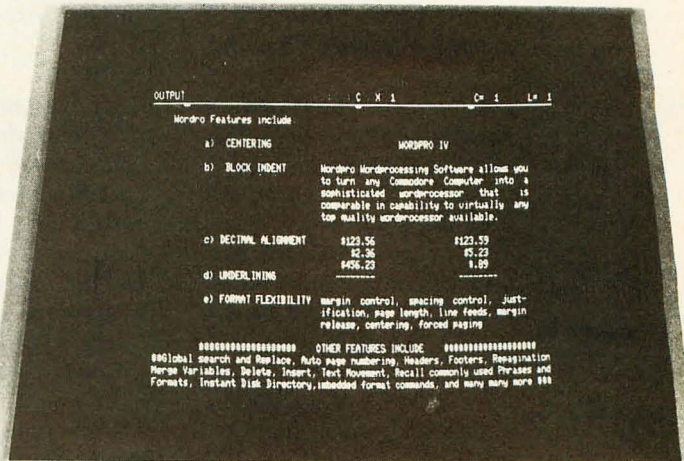

With WordPro word processing software you can transform your Commodore computer into a "state of the art" word processing machine with sophisticated word processing features at an affordable price.

There are four versions of WordPro, ranging from the simple to the sophisticated. WordPro 1 on cassette will give computer enthusiasts a full range of text editing capabilities with cassette file storage. WordPro 2 is disk based and allows fast and easy file handling and manipulation. WordPro 3 was designed for professionals and contains the many features required in a business environment such as global search and replace, headers, footers, decimal tabulation, repagination, merging capabilities, and much, much more. WordPro 4 is our best. WordPro 4 runs on the new Commodore 8032, 80-column display computer. WordPro 4 has all the features of WordPro 3, plus additional features usually found only on the most sophisticated and expensive word processing equipment.

WordPro is a new breed of word processing software. Powerful, sophisticated, and easy to use, WordPro was field-tested by dozens of attorneys and commercial customers during 1979. WordPro is now installed and is saving its owners valuable time and money in hundreds of offices nationwide.

WordPro was designed with the user in mind. WordPro's unique "STATUS LINE" constantly interacts with the user by displaying the status of the system. Editing, storing documents, recalling letters, even the most sophisticated commands, are accomplished by a few, easy to remember, keystrokes.

You may find that WordPro alone is reason enough to own a computer. WordPro can be found at most Commodore dealers worldwide. Call us for the number of the dealer nearest you. If you cannot locate a stocking WordPro dealer you may place an order with Professional Software via check or VISA/MasterCharge.
