When it comes to software, nobody's perfect. But according to many of the experts, one word processing program is as close as you can get. No wonder it's called WordPerfect.

What are all the critics raving about?

Simplicity. Most WordPerfect functions require only one keystroke, a simple press of a finger. So you can concentrate on writing, not programming.

Speed. Because it is

document-oriented instead of page-oriented, WordPerfect won't make you
