WordPerfect is just that.

PC World

At SSI, we face a monumental challenge; living up to the name we gave our word processing software. After all, with a name like WordPerfect, the product had better measure up. Obviously it's doing just that. For good reason.

Simplicity.

Most WordPerfect functions require only one keystroke, a simple press of a finger. And comprehensive, well-written documentation makes learning a breeze.

even a beginner can soon master WordPerfect's most difficult functions, such as

PC World

Speed.

With WordPerfect's document orientation, you never have to wait between pages of

text. No matter how fast you type, WordPerfect won't slow you down.

Features.

In addition to standard word processing functions, WordPerfect includes several comprehensive, useful features not found on many word processors. Like a 100,000-word phonetic dictionary; multi-page footnoting capability; table of contents and index generation; automatic outlining and paragraph numbering; and a network version of WordPerfect.

*There is very little this program WordPerfect can't do."*
