

limitless variety of forms, charts and graphs. And otherwise design a document precisely the way you want it.

Once you're satisfied with what you've created, it can be printed exactly the way it appears on the screen.

Your Stars can form a galaxy.

You can also plug your Star into the Xerox Information Outlet. Then, through a Xerox Ethernet cable, you can share information with other Stars throughout your company, including other offices in other cities. So several professionals can work together on one page, or on a whole report, without leaving their desks.

In other words, professionals can spend less time running from office to office,

doing tedious jobs, or waiting for outside help. And more time doing the productive work there never seems to be enough time to do.

"But I can't type?"

Because Star was designed for professionals, it requires no previous experience with keyboards or display screens. What they work with on the screen are symbols of what they work with every day (such as a file drawer or an in/out box). So most people can become familiar with it in just a few minutes.

For more information, write Xerox Corporation, P.O. Box 470184, Dallas, Texas 75247. Or better yet, ask for a demonstration.

You'll see why Star—just like the wheel—is a lot easier to use than explain.
